You'll Hear the Directions and See Where to Save

With street by street directions, live traffic and AAA savings, this GPS is the *ultimate driving companion*

With the largest screen we've ever offered, everything is easy to see—including where to save. Just a glance and you're traveling safer.

- This GPS announces every turn—with every street name called out—so you can keep your eyes on the road.
- Live traffic routes you around trouble spots automatically. Free for three months** and available in Philadelphia, Baltimore, Washington D.C. and 47 other major metropolitan areas.
- There are 6 million locations you can use every day—including gas stations and health services.
- Show Your Card & Save® partners built right in—save with AAA Member-only discounts at more than 100,000 places
- Save up to 50% on hotels and get discounts at restaurants
- AAA TourBook® ratings provide more than just the address and a phone number of a restaurant, hotel or tourist attraction. You will see the destination's full description, diamond rating and pricing scale information.
- Save time—see food, gas and lodging on the screen as you approach upcoming exits off of major roadways
